

TABLE 1
SUMMARY OF REPTILE AND AMPHIBIAN SPECIES IDENTIFIED WITHIN L'ANSE À L'ORME STUDY AREA

# of species	Latin name	Common name (French)	Common name (English)	Validated during the field work ¹	FEDERAL STATUS (COSEWIC / SARA)	PROVINCIAL STATUS (LEMV)
1	<i>Ambystoma jeffersonianum</i>	Salamandre de Jefferson	Jefferson salamander			
2	<i>Ambystoma laterale</i>	Salamandre à points bleus	Blue-Spotted Salamander	x		
3	<i>Anaxyrus (Bufo) americanus</i>	Crapaud d'Amérique	American Toad	x		
4	<i>Chelydra serpentina serpentina</i>	Tortu serpentine	Common Snapping Turtle			
5	<i>Chrysemys picta</i>	Tortue peinte	Painted Turtle			
6	<i>Graptemys geographica</i>	Tortue géographique	Northern Map Turtle	x	Special Concern	Vulnerable
7	<i>Hyla versicolor</i>	Rainette versicolore	Tetraploid Gray Treefrog			
8	<i>Lampropeltis triangulum triangulum</i>	Couleuvre tachetée	Milk Snake		Special Concern	SVT
9	<i>Plethodon cinereus</i>	Salamandre cendrée	Eastern Redback Salamander	x		
10	<i>Pseudacris crucifer</i>	Rainette crucifère	Spring Peeper	x		
11	<i>Lithobates (Rana) catesbeianus</i>	Ouaouaron	Bullfrog	x		
12	<i>Lithobates (Rana) clamitans</i>	Grenouille verte	Green Frog	x		
13	<i>Lithobates (Rana) pipiens</i>	Grenouille léopard	Northern Leopard Frog	x	Not at Risk	
14	<i>Lithobates (Rana) sylvaticus</i>	Grenouille des bois	Wood Frog	x		
15	<i>Storeria dekayi</i>	Couleuvre brune*	Brown Snake*	x		SVT
16	<i>Storeria occipitomaculata occipitomaculata</i>	Couleuvre à ventre rouge	Redbelly Snake	x		
17	<i>Thamnophis sirtalis</i> ²	Couleuvre rayée	Common Garter Snake	x	Endangered / Threatened	

Notes:

Designated species

Provincial Designation

LEMV: Loi sur les espèces menacées ou vulnérables (Act respecting threatened or vulnerable species)

SVT: Susceptible of being designated vulnerable or threatened

Federal Designation

COSEWIC: Committee on the Status of Endangered Wildlife in Canada

SARA: Species at Risk Act

Data extracted from report:

Roy, Marie-Eve, Gravel, Patrick, Dupras, Jérôme. Décembre 2016. Évaluation écologique de l'ouest du territoire de Pierrefonds-Roxboro. Mémoire présenté par la Fondation Suzuki.

*Rare in Québec according to the Atlas des amphibiens et des reptiles du Québec (AARQ)

¹Species observed during fall 2015 or spring 2016 inventories. Other species observed at a maximum distance of 1 km from planned development area

²Species listed as endangered/threatened in Ontario. Distribution usually does not include province of Québec
